Maman  
Chérie

The image features the words "Maman" and "Chérie" in a highly stylized, bubbly cursive font. The letters are thick and have a rounded, almost cartoonish appearance. The text is surrounded by various decorative elements: a heart shape on the left, several teardrop and swirl shapes scattered around the words, and a wavy line under the word "Maman". The entire design is rendered in a simple black line-art style on a white background.
